

# Company Level Environmental Goals

---

# Sustainability Goals

Our company is committed to:

- Continuous expansion of the avoidance of commuting through decentralized work structure via remote maintenance and abandonment of office space.
- Conversion of the entire vehicle fleet to electric vehicles. (As of May 2024: 75%.)
- Expansion of business travels in the wider german area via Deutsche Bahn; avoiding domestic flights.
- Exclusive use of electricity from renewable energies at all locations until the end of 2024.
